IT'S OUR BUSINESS TO SUPPORT YOURS

Cleaning Services

With over 50 years experience, our cleaning service is at the forefront of supplying the very best cleaning and support services to a wide range of customers and businesses.

Contract Cleaning is a skilled and professional business, which requires the latest techniques, equipment and a good management team to ensure a comprehensive and effective service to our customers.

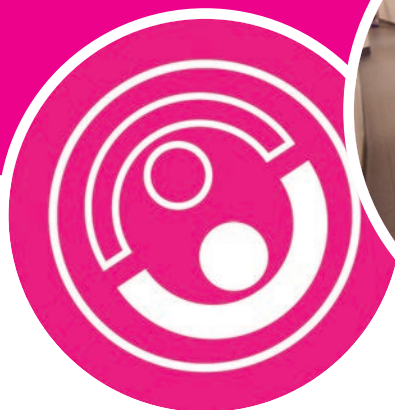

Our service embraces attention to detail, good communication, quality supervision and working to develop lasting relationships with our customers.

We firmly believe that our employees represent our greatest asset and as such, we go to great lengths to recruit the very best people.

Our investment in personnel does not stop at recruitment, we also invest heavily in effective training to ensure that our management and cleaning staff can operate the latest equipment, utilize the most efficient techniques and implement safe working practices. We see this as fundamental to the success of any cleaning contract. Our commitment to training embraces National Training Awards and BICSc certifications.

Our cleaning range of services include:

- **Daily Office Cleaning**
- **Retail Cleaning**
- **Industrial Cleaning**
- **Car Park Cleaning**
